No problem! I literally just pressed the "sent" button to the residents so we're good.

Just FYI---I was going to have Trish send it to the residents from home but Webmail is really slow and I didn't want to hold things up much longer so the message to the residents came from me. I'll send you the e-mail in a minute.

Helen - I don't know how I missed you on this, Sorry! I was on the phone trying to remember who was sitting around the table..., you know. Again, my apologies.
